Gates and music room -

Thank you for your patience whilst the work has been going on to install the new gates, which is now complete. We are very pleased with the result and the added security this now provides.

We request that pedestrians do not use the vehicle access - even if the gates are open, to ensure safety for everyone

and facilitate the correct operation of the sensors and electronic opening of the gates.

Lastly...

Please ensure all children have named coats in school every day. We aim go out to play even in the cold!

Pupils in Year 5 and 6, who walk home on their own need to have reflective arm bands or similar on these dark evenings.

We ask that they **do not** walk home alone later than 4:30 in the winter.
