Back Gate

Please could parents close the back gate when entering or leaving the school grounds, to ensure the safety and security of the pupils and their younger siblings.

This is also to deter people with no business at the school or pre-school using it as a short cut when the gate is not locked.

Many thanks.

Road works

Please be aware that there will be roadworks in Leigh Road commencing 25th January to improve the traffic calming features that were installed last year !

Also, there will be gully cleaning and drainage maintenance commencing next week 15th January and parking restrictions will be in place.
